

University of Hartford
Consumer Information on Faculty Availability
AY2025-2026

Full-time members of the faculty, who are tenured or who have passed a tenure-like review or comprehensive review and have met other University of Hartford eligibility criteria, may submit an application for a sabbatical leave.

The following faculty will be on sabbatical for part or all of academic year 2025-2026. During their sabbatical, these faculty may not be available to support students or conduct other University business.
