

GRADES ONE AND TWO

COURSE WORKSHEET

First- and second-grade campers select a schedule consisting of two enrichment courses in the morning and three recreational activities in the afternoon. Schedules for all six weeks are listed below. Please refer to the website for descriptions of the enrichment courses and recreational activities.

Important Registration Information: When completing the registration form, indicate first and second choice options. Do not list the same class for both first and second choice. **Please remember that the grade-level designation refers to the grade the child will enter in the fall of 2026.**

MORNING ENRICHMENT COURSES

First- and second-graders are grouped separately from third- and fourth-graders in their enrichment courses.

When enrolling your camper in **The Learning Zone**, please make sure it is added to your cart prior to checkout. Refer to the website for the course description and rate information.

AFTERNOON RECREATIONAL ACTIVITIES

First- through fourth-graders generally participate in recreational activities together.

Please Note: The Sport Pals option (an all-afternoon activity that includes swim lessons) is only for first- and second-graders. Whole Group Activities include organized games like relay races, tag games, and asteroids.

Only one swim class (lessons or recreational) may be taken per session. Recreational activity choices may not be repeated in the same session. Campers attending more than one session may repeat the same recreational activity in a different session.
