The below regulations address parking policies at the University of Hartford. All parking rules are enforced 365 days a year. Any questions should be referred to Public Safety. The office is open 24 hours each day and located adjacent to parking lot E. The telephone number is 860.768.7985. GENERAL INFORMATION

Vehicles operated and parked on University of Hartford property must have a valid vehicle registration issued by the Department of Motor Vehicles. Motorized vehicles that cannot be registered with the Department of Motor Vehicles may not be operated on campus. This includes scooters, mopeds, go-peds, go-carts, motorized skateboards, motorized bicycles and golf carts.

Any vehicle not registered is subject to being ticketed, immobilized or towed at the owner's expense. Disabled vehicles must be immediately reported to Public Safety.

Effective August 1, 2014 - As per Faculty/Staff and Student regulations the University reserves the right to bill any member the full price of a parking permit at any time it is discovered that the member is parking on a regular basis without posting a temp vehicle, or registering the vehicle in question for a parking permit. Permits in this situation will be billed to the Bursars account and are payable on demand as per Bursar policy.

Certain Areas of campus are prone to flooding in heavy rains and weather events, including parking areas. The University of Hartford is not responsible for any damage or loss of motor vehicles or personal property contained in any motor vehicle on campus. Vehicle operators are responsible for familiarizing themselves with current parking rules and regulations. If you are assigned to a parking area that is prone to flooding in heavy rains, it is your responsibility to remove your vehicle from the area in the event of an actual or anticipated flooding occurrence. The University reserves the right in its full discretion to cause the removal, by towing, of vehicles. It is understood and agreed by vehicle operators that the University's right to tow parked vehicle is hereby noticed to vehicle operators and no notice of the University's right to tow parked vehicles by signage need be posted. All costs of the towing of parked vehicles shall be borne by the vehicle operators.

Students, faculty and staff are required to check their University of Hartford email account regularly for important parking notices and notice of issued citations.

Those who register a vehicle on campus are responsible for the operation and parking of any vehicle for which they have been issued a permit, regardless of who operates the vehicle.
