Session 3

## JOIN US

We are committed to helping you achieve a successful retirement and recognize that you may have concerns regarding how to properly prepare for retirement. We asked USI Consulting Group, our retirement plan consultants, to host a series of complimentary webinars for their Retirement Education Specialists to help answer your questions.

You and a guest are invited to join our session, which will focus on answering these questions:

- What is Long Term Care and who pays for it?
- When does Medicaid get involved?
- What services are covered?
- What are the important policy considerations?
